

Syringa Heights Water District
Special Meeting Minutes
3-4-2019

Meeting opened by President Drinkard at 2:30 PM
Board Members Present: Gabel, Cafferty, Darnell

Meeting held at Sewell Engr. Office

Purpose of meeting was for the Board to become familiar with negotiations with City of Dover and to give direction to Sewell Engineering as to how to proceed. Tim has been involved with Dover and working with their engineers to get resolve as to availability of Dover water for our system. The Board provided Tim with preferred solutions.

Also discussed was the upcoming open meeting for the public hearing on the Facilities improvement plan. Tentative date is March 19, 2019 with place of meeting to be determined. Notice will be published in the Daily Bee per State Statute.

Respectfully Submitted
