Water loss continues - Frank and Dion Holden

of the IRWA spent some time looking for areas of possible leakage. Dion has sophisticated listening device and will come again in the Spring to work with Frank to find leaks.

12 customers paid at the last day and were charged a late penalty, which was approved by the Board to be credited back. The Board would like to remind everyone that it takes a couple of days for the mail, which makes their payment late.

The District is working to get ADU's finalized. Active ADU's will pay 50% of a normal connection fee.

Railroad pump house now vacated by the City. It needs a new door and lock.

Generator project is complete and paid for. Total cost less than originally thought.

Tim is working on new connection fee for 20023 thru 2028.

Meeting adjourned - next scheduled meeting March 14, 2023.
